TECHNICAL DATA SHEET

MAY 2015

PRODUCT NAME

R88 Corro-Seal HD Rust Preventative

PRODUCT RANGE

Part Number	Available Size
CT-R88-310	310g Aerosol
CT-R88-750ML	750 ML Trigger
CT-R88-5L	5 Litres Bulk
CT-R88-20L	20 Litres Bulk

Refer to SDS for product safety guidelines

R88 Corro-Seal HD Rust Preventative

Product Description:

Chemtools DEOX R88 Corro-Seal is specially formulated to protect against the most severe conditions. R88 will leave a thin but tough waxy film which is resistant to most corrosive conditions such as salt, high humidity, mining, chemical and other corrosive environments. It should be used when maximum protection is needed against moisture intrusion. The film does not contain silicone and can be easily removed with readily available degreasing solvents.

Features & Benefits:

- Long term corrosion protection indoor and outdoor
- Convenient aerosol spray
- Leaves clear waxy film that can be easily removed

Application:

- Marine equipment & Boat trailers
- Long-term or off-season parts storage
- Automotive parts and equipment
- Farming equipment
- Molding dies and parts
- Machined parts
- Hand tools

Properties:

Appearance:	Clear waxy film
Odour:	Mild
Propellant:	Hydrocarbon
Flammable:	Yes
Shelf Life:	>1 year from date of manufacture

Precaution:

- Please refer to MSDS before use.
- For industrial use only, please keep out of reach of children.
- Wear suitable safety gear before use, please refer to MSDS.

Storage:

Store in closed containers, undercover, in a cool and dry environment.

Disclaimer:

PRECAUTIONS: This product capable of producing adverse health effects ranging from minor skin irritation to serious systemic effects. None of these materials should be used, stored, or transported until the handling precautions and recommendations as stated in the Material Safety Data Sheets (MSDS) for this and all other products being used are understood by all persons who will work with the material.

Warranty:

All products purchased from or supplied by Chemtools® are subject to terms and conditions set out in the contract. Chemtools® warrants only that its products meet the specifications designated as such herein, or in other publications. All other information supplied by Chemtools® is considered accurate, but is furnished upon the express condition. The customer shall make its own assessment to determine the product's suitability for a particular purpose. Chemtools® makes no other warranty, either expressed or implied, including those regarding such other information, the data upon which the same is based, or the results to be obtained from the use thereof; that any product shall be merchantable or fit for any particular purpose; or that the use of such other information or products will not infringe any patent.
