TIGMATE® WELDING GLOVES

The Tigmate® is made from the finest top grain pigskin leather which is known for its breathability, softness and comfort. As TIG welding only generates low heat with minimal sparks, the glove is unlined and the soft pig grain leather provides optimal dexterity providing the wearer with improved touch sensitivity. The Clute pattern ensure maximum comfort with all seams sewn with Kevlar® thread to resist sparks and improve durability.

- Quality Soft Grain Leather
- Unlined for dexterity and soft touch
- Sewn in heat-resistant Para-aramid thread for extra durability
- TIGMATE® Short Cuff 279 mm long
- TIGMATE® Long Cuff 380 mm long
